

2019 Lifeline 100 Century Ride INFORMATION SHEET
Sunday October 6, 2019
Kinder Farm Park, 1001 Kinder Farm Park Rd, Millersville, MD
www.lifeline100.com

FINAL 9/23/19

REGISTRATION Online registration is open until midnight, October 4. You may register in person at Kinder Farm Park Visitor Center during pre-ride registration pickup on Saturday, Oct. 5 from 12 Noon – 2 PM, or before the ride starting at 6:15AM. In-person registration fees are 15 mile: \$30; 30 mile: \$35; 65 mile: \$50; 100 mile: \$60.

PACKET PICKUP

We encourage you to pick up your riding packet on Saturday Oct. 5 from 12 Noon – 2 PM at the Kinder Farm Park Visitor Center. As you enter the park on Kinder Farm Park Rd., continue straight up a short hill. The Visitor's Center is the first building on the left. Packets will also be available beginning at 6:15 AM on ride day. You will receive a bib number which you must affix to your jersey. You must be registered either online or by paper form and have your riding bib to start your ride and utilize the rest stops.

PARKING AT KINDER FARM PARK

Local riders may want to ride to the start and others are encouraged to carpool. From Jumpers Hole Rd, enter on Kinder Farm Park Rd. then make a quick left on Gali Sanchez Way. Follow that to crew who will direct you where to park. There will be a short walk or ride from there to the Visitor Center and starting line.

RIDE START TIMES

The ride is rain or shine. This is a “show and go” start which means you should arrive at the starting line and begin riding in the follow timeslots. This will help spread riders as they enter the B&A Trail.

Ride	Earliest	Latest	Location
100 miles	7:00AM	7:30AM	KF Park Visitor Center
65 miles	7:30AM	8:00AM	KF Park Visitor Center
30 miles	8:30AM	9:00AM	KF Park Visitor Center
15 miles	9:00AM	9:30AM	KF Park Visitor Center
Bike Rodeo	12:30PM	2:30PM	KF Park Visitor Center Lot
Family Fun Ride	11:00AM	2:30PM	Park Loop trail starts near visitor center

PREPARATION

All riders are required to wear helmets and have their bikes in good working order, including reflectors or taillights. You should carry a spare inner tube, tire irons and a small pump or CO2. Be sure your bike is in good mechanical order and that your tires are not worn and in need of replacement. Please visit your local bike shop if your bike needs service. However, there will be a bike mechanic available for simple repairs at Kinder Farm and each 65/100 rest stop. Bring two full bottles to start the ride! Also, you may want to bring your favorite energy food for in between rest stops.

COURSE MARKINGS, GPS Files & CUE SHEETS

Cue sheets will be available at registration and at www.lifeline100.com/routes where there will also be GPX and TCX files including talking turn by turn. The 100 mile and 65 mile routes are marked yellow on the road. The 15 and 30 mile routes are entirely on trail and have no on-trail markings. Certain turns for all rides will have signs.

SAG VEHICLES – Non-Emergency SAG Support Call (410) 440-0279; Emergency call 911

There will be volunteers driving the course with bike racks if you have a non-emergency need for help. They will have some limited supplies and can bring you to the nearest rest stop if you need a bike mechanic. Please be advised that depending on the number of calls, you may be required to wait at a rest stop before a ride back to the finish can be provided. **If you have a medical emergency, please call 911** first and then the SAG number.

REST STOPS & RIDING PACE

There will be rest stops at the following locations stocked with water, sports drink, food, port-a-potties and a bike mechanic. In order to finish the ride before 5:30PM, you must reach each rest stop by the close time shown: Rest Stop Location	100 mile	65 mile	30 mile	15 mile	Opens	Closes
Start – Kinder Farm Park Visitor Center	0	0	0	0	6:30	9:30
Arnold Station Mini-rest			7.6	7.6	9:00	11:00
Bay Ridge Pool Club	18.0	18.0			8:00	10:30
Rutland Rd. (unstaffed - water, potty)	38				9:00	11:30
Galesville Wharf Park (end of Galesville Rd)	49.2				9:00	12:30
Davidsonville Park (unstaffed - water, potty)	55.1				10:30	2:00
Crofton Park –entrance from Davidsonville Rd	76.3	38.2			9:00	3:00
Dixon Observation Area –near BWI Airport	93.7	55.8	22		10:00	4:30

Riders must reach rest stops by closing times to have support. All must be off the course by 5:30pm when all support ends. 15 milers should finish by 12:30 and 30 milers by 2pm.

Special Ride Options for 30 and 65 milers: At Dixon Observation Area, 30 and 65 milers who are feeling strong and arrive early enough can add about 10 miles to their ride by circling the BWI loop trail and then returning to Kinder Farm Park. Follow the BWI Loop Trail signs and then your cue sheet to return to Kinder Farm Park.

CYCLIST RULES ON TRAIL & ROAD

A very important goal of the Lifeline 100 event is to show the community the benefits and safety of cycling. All riders must obey the trail rules which include **15 mph speed limit, announcing every pass, stopping at crossings and riding single file when passing.** On the road, the 3 foot law requires drivers to leave 3 feet of room when safely passing a cyclist. It is our responsibility, as cyclists, to also be courteous and obey ALL traffic laws and signals. That means stopping at red lights and stop signs, signaling turns and generally riding single file and on the shoulder on the busier routes. Please follow the rules of the roads and trails.

POST-RIDE RECOVERY

After celebrating your crossing of the finish line, there will be a grill going for 30, 65 and 100 milers starting 11:30AM. There will be other snacks and drinks for all riders.

Your Hosts Wish You a Safe & Enjoyable Ride:
Anne Arundel County Police Department
Anne Arundel County Department of Recreation & Parks
Bicycle Advocates for Annapolis & Anne Arundel County ("BikeAAA")
